

Year 11 Parent Bulletin – Friday 1 March 2024

Dear Parents and Carers,

Year 11 Subject Evening - Monday 18 March 2024 (4.30pm – 7.15pm)

I would like to let you know of the arrangements for the second Year 11 Subject Evening, which will take place face-to-face in school. It is strongly advised that your child also attends the evening to allow them to hear the feedback their teachers provide. All bookings for subject evening will be via *SchoolCloud*. Appointments can be made from Monday 4 March at 5pm and will close on Monday 18 March at 9am.

A number of students may have two teachers in some subjects, and where this is the case the system will allocate you one of these to book with. Students studying Triple Science will not be able to see teachers from all 3 disciplines due to the volume of students each of these teachers needs to see, but will be allocated one or two to see who will have information from across the course.

All appointment lengths are 5 minutes, and we would encourage you to start with any specific questions to ensure there is sufficient time for these to be answered. If you need longer with a member of staff they may ask you to make an appointment to speak to them at another time, in order to keep the evening running smoothly. Members of the Senior Leadership team and I will be available for any general questions in the Student Services area.

The attached guide will step you through the process of booking appointments.

The most recent attainment and engagement data will be available via GO 4 Schools in advance of the evening and we would encourage you to re-visit this prior to the appointment and to be ready to ask any specific questions you have. If you have any issues or queries with booking appointments then please contact data@northleamington.co.uk.

Year 11 Year Book

A reminder, that the deadline to purchase a Year Book is **Monday 4 March**. Working with our supplier we are endeavouring to complete the necessary work so that the books can be printed and delivered in time for the Celebration Day. This means there can be **only one print run; it will not be possible to place orders after Monday 4 March**.

The Year book can be purchased for £23 via ParentPay, (www.parentpay.com).

Careers opportunity

We have received details of a fantastic opportunity, open to our Year 11 students, for a **Trainee Gas Turbine Mechanic in Warwick**. There are 2 vacancies available, over a 12 month period, with CFS Aero. Based in Warwick, they are specialists in Aerospace Gas Turbine Engine repair and supply the Aerospace industry and Aircraft Operators around the World. Further details can be found on our website in the [Careers - Future Pathways](#) section or by contacting David Stuart Operation Manager dave.stuart@cfsaero.com.

Thank you for your continued support, and have a lovely weekend!

Mr. Butler

Year 11 Lead, Blackdown College Leader
