Dear Parent/Carer,

## **Y10 Careers – Work Experience**

### **A message from Mrs. Barley-Morey**

It has been wonderful to see the varied work experience placements that students have found for themselves. The securing of a placement is an invaluable process for students to undertake and the skills they have developed will be important additions they can make to their CVs. The use of the Gofar careers platform to allow us to 'go green' is proving to be a great success and the continued use of this will allow students to record their careers journey as they progress through the school.

In order to maximise the number of students who secure a placement we have extended the deadline to **May 12<sup>th</sup>**; please do encourage your child to embrace this process.

For further support or enquiries please do contact Mrs O'Donnell [careers@northleamington.co.uk](mailto:careers@northleamington.co.uk) in the first instance.

Have a fantastic bank holiday weekend!

Best Wishes

Mr B Butler
