Dear Parents and Carers,

Please find below some important opportunities for both students and parents coming up.

CEIAG Careers Fair 7.4.22

We are delighted to announce that we have managed to secure 18 external education and training providers to facilitate an opportunity for Y10-Y13 to discover more about the range of qualifications and careers they can access post 16 and post 18.

The providers include local colleges, universities, local businesses, Police and Armed Forces, and they cover the full range of qualifications including T levels, BTEC, Apprenticeships, A levels and Degrees.

This is the first careers fair at NLS for two years and we look forward to continuing to build our links so that we can provide the very best experiences to support our young people on the 'Flightpath to their Future.'
