Dear Parents and Carers

Exam Season dates:

This summer all Year 10 students will be sitting their RE GCSE examination and those students who have elected to study Music through the after school club will also sit their examination. The exam boards have now finalised dates for the summer exam season. Links to the exam board timetables and a list of exam boards for each qualification are available on the [Exams page](#) of the school website. We will also make available on there an NLS specific timetable containing all relevant dates before the end of term.

The key information to be aware of is that the main written examinations will be scheduled from the second week in May up until late June, although practical exams and some BTEC exams take place throughout spring term, and individual subjects will share this information when these dates are set.

In the main summer season the exam boards set contingency sessions where no exams are scheduled, but candidates must be available, in case at short notice exams need to be moved due to issues at a regional or national level.

For 2023, the contingency sessions will be as follows and we ask that you ensure your child will be available on these days if needed:

Thursday 8th June PM

Thursday 15th June PM

Wednesday 28^h June ALL DAY

There will be no examinations after the final contingency day.

If you have any queries please contact exams@northleamington.co.uk.

RE Revision Resources

All students have been provided with a paper copy of RE revision resources for the December Mock and these resources are also on G4S.

Mrs McGwinn will be inviting parents and carers to an optional Teams meeting on Tuesday 29th November at 6.30pm where she will be explaining the format of the RE exam and giving some tips on how to support students with revision at home. The link to join the meeting will be sent nearer to the actual meeting date.

Latest November online safety newsletter

Please find the latest link to the Online Safety newsletter [November Online Safety Newsletter](#).

Kind regards

Mr. Butler
Head of Year 10
