Dear Parents, Carers,

We are delighted by the wonderful start that Year 7 have made to North Leamington School. Their uniform has been fantastic and we very much appreciate the parent/carer support with this. It really has been a pleasure welcoming them all and lovely to see so many happy faces.

For all queries please do contact your child’s tutor in the first instance:

Timetables: All students have received their timetables through Go4Schools and an ID card which shows a printed copy of their timetable. Please remind your child to keep this safe; lost ID cards will be available at a cost through Parent Pay.

Start of the day: A reminder that lesson 1 starts at 08:45 therefore students must be on site by 08:40 at the latest in order to ensure that they are on time. Year 7 should be entering and exiting via the Lillington Road gate unless alternative arrangements have been agreed.

Year 7 Information Evening: There is a Year 7 information evening on 16th October where there will be an opportunity for parents and carers to meet their child’s tutor. More details will be provided in the coming weeks.

Year 7 Trip to the Botanical Gardens: This trip is a great opportunity for students and is scheduled to take place during the week commencing 9th October. Students will get the opportunity to experience

Animal Handling and a Rainforest Challenge. The cost is £19 and a letter with all the details has also been sent today.

Some really key pages to draw your attention to on our website include [Go4Schools \(G4S\)](#), [Parentpay](#) and [Free School Meals](#) for those that may be eligible.

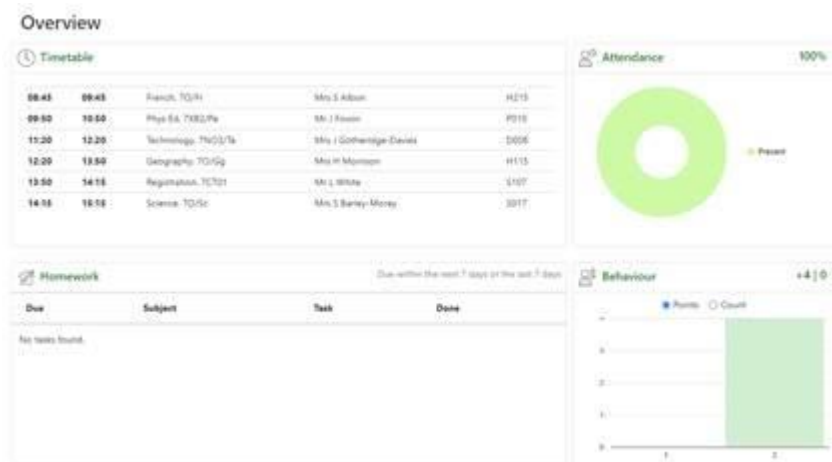

Go4Schools is our main method of communication on a day to day basis and will include information on your child's timetable including names of their teachers, attendance, rewards and consequences. When we begin to set homework in a few weeks this can also be viewed by Parents/Carers and students via Go4Schools, and towards the end of term our first set of progress and attitude to learning data will be sent via here. We will send more information about each of these elements as they become relevant.

Go4Schools can be accessed through any electronic device by downloading the app or using the web based platform. Further instructions on how to log-in can be found on the [Go4Schools page](#) of our website.

When you log-in you will see easy to follow information like the below.

If you then click on the green headings of each section you will see more detailed information, including in the Behaviour section the type of reward points your child is earning and in which subject areas.

If you have the need to contact a class teacher then you can find their name via Go4Schools and their contact details on the [Meet the Team](#) section of our website.

I really look forward to working with you and your child this academic year.

Have a lovely weekend.
