GO 4 Schools
Using the APP

Commitment, **O**pportunity, **R**espect & **E**xcellence
for all and in all that we do

Steps for Students to set up a new password for the G4S APP

To use the G4S APP, students must use their school email address and then must set a new password.

The following steps will help students to be able to set up their password to access the G4S APP.

1. Go to the [North Leamington School Website](#) and click on the G4S Link which can be found as an icon at the top on the right hand side.

This is the password you may use to log in to GO 4 Schools if your school supports this login method. It is also the password you use to log in to the GO 4 Schools Mobile App if your school uses the Mobile App.

Email address 

Next, students will need to **log on to their school email**.

This can be accessed again from the school main website page, clicking on the **'Digital Learning Hub'** icon at the top on the right-hand side.

From there the **grid** which will show all the Office 365 APPs including **'Outlook'** where the school email is located.

for all and in all that we do

5. Students will receive an email from G4S asking them to set a new password.

This must be not be the same as their school password and one that they can remember.

6. Once the new password has been created students should download the G4S APP from their device's APP Store and log on using their school email address and the newly created password.

If students require any further assistance please contact ICT Helpdesk helpdesk@northleamington.co.uk
