

Friday 15 November 2024

Dear Parent/Carer

As part of our careers education programme to support our Year 11 students as they prepare for the world beyond school, we will be holding Mock Interviews on Tuesday 26 November. The aim of these interviews is to help students develop interview skills and build confidence for their future career paths.

To make this event as impactful and successful as possible, we would be very grateful if any parents / carers could support the event and help as interviewers. No specific experience is necessary and we will provide you with a set of questions to ask each student and a briefing beforehand to guide you through the process.

The day will run from 8.30am -3.15pm and refreshments and lunch will be provided. Whilst the event runs for the day if you are able to support for part of the day that would also be helpful and we can schedule appointments to fit in with your availability.

For most students this may be one of the first occasions they have engaged in such an exercise and it can be daunting so preparation and practice is a valuable experience for them. Your involvement would really offer valuable feedback and a real-world interview experience that is encouraging and constructive.

In addition to mock interviews for Year 11 we arrange a number of careers events across all year groups and we always welcome any support you may be able to offer in expanding our students knowledge and understanding of careers, and the world of work, at our events. Details of these events can be found in the careers section of our website [NLS Website Careers](#).

If you are able to support us or have any questions please email [careers@northleamington.co.uk](mailto:careers@northleamington.co.uk) or call 01926 338711- Ext. 8429

Kind regards

Mrs Sarah Barley-Morey  
AHT Y8 Lead, CEIAG/Student Self Reflection Lead
