

Friday 28 July

Dear Parents / Carers

As you will be aware, earlier this year we completed our options process for all Year 9 students, to support them in deciding which subjects they would like to continue to study next year, as they enter Key Stage 4. We were delighted with how all students engaged in this process and would like to take this opportunity to thank parents/ carers at home for all of the support that we know you offered during this time.

On Tuesday 2 July, students will be issued with a personalised letter in tutor time which will detail the subjects that they have been allocated based on their options choices. As promised, we have done all we can to ensure that students have been allocated all of their preferred choices and we are delighted that we have managed to achieve this for the vast majority of students.

Where we have not been able to accommodate the first four subject choices we have allocated their reserve option.

Please do look out for the letter coming home with your child on Tuesday next week and if you have any queries following this process do not hesitate to contact us using the following email address, data@northleamington.co.uk.

Yours sincerely

Ms G Jephcote
Senior Assistant Head Teacher
